SPEAKER- Prof Adinpunya Mitra

Professor, Agricultural and Food Engineering Department, Indian Institute of Technology Kharagpur (IIT Kharagpur).

ABOUT THE COLLEGE

Raja Rammohun Roy Mahavidyalaya is a multi disciplinary college, situated at Radhanagar, the birth place of Raja Rammohun Roy, the harbinger of Indian Renaissance. The glorious tradition of the college has also been maintained by holding National and International seminars, Youth festivals, Educational tours, interactive sessions, quiz contests etc. This prestigious institution which is the alma mater of multitudes who have made their mark in various fields, was awarded 'B'(Second Cycle) by the National Assessment & Accreditation Council in 2017 for its meritorious performances and contributions.

ABOUT THE DEPARTMENT

The Botany Department began its journey in 1974-75, and its honours stream started in 1995-96. Since then the Department is following a steady rise in its development graph imparting the learners the basic essence of plant science and engaging them in the tour of nature's endeavor. The Department has a well-equipped laboratory, herbaria, a biodiversity garden, seed repository, and many other fundamental establishments which are hard to imagine to be present in a college of a rural belt. The Department holds many social outreach programs like sapling distribution, revenue generation, motivational talks, etc, and conducts national-level seminars, workshops, etc.
